FRUIT MEN BUSY AT VINEBURG

Apple Packing Starts At New Plant Of Association. New Dryer Given Try-Out Tuesday.

The Sonoma Valley Apple Growers Association christened its new packing plant at Vineburg on Tuesday and apple packing is now in full swing at the spacious headquarters of the growers which is the scene of much activity. A fair crop of Gravensteins of excellent quality is being graded and made ready for shipment. The apples will be marketed through the Sebastopol growers as they were last season. Prices are even better than in 1918, although the Sonoma growers received handsome returns last year and Sonoma apples won deserved praise. In reference to the prices this season a recent resume reads as follows:

"Watsonville and Sebastopol apple growers will buy their limousines this year and lay aside a neat sum for rainy days. They are to realize undreamed wealth from their 1919 crop. Prices this season opened at the highest level on record and have climbed steadily. Of course, growers become excited, and buyers now claim that growers are above all reason in their opinion, but at the same time they are meeting the growers' terms and even sending prices still higher in their keen competition to obtain supplies.

Growers in the Sebastopol district are now asking $2.75 per box for both four and four and one-half tier Gravenstein apples. Some sales were made earlier at $2.25 and $2.50. New crop Gravensteins from Sonoma county are selling for $3.00 and $3.25 per box at wholesale in the San Francisco market.

In the Watsonville district contracts have been made for dried apples at 18 and 18 1-2 cents per pound This means that no apples will be packed this year for less than $1.50 per box f. o. b. country shipping points. At the same time, few growers now are willing to accept a price of $1.75 per box for Newton Pippins The latest report is $1.75 and $2.00 per box for 4-ties Newtons. England again promises to be a big buyer of California apples."

Adjoining the big packing plant of the apple men and adding still more to the busy business aspect of Vineburg is the new fruit dryer of the Gundlach-Bundschu Co., which will utilize much fruit this year and will also be tried out on grapes. The evaporating plant is being installed by Mr. W. H. Banks who dried tons of dehyradated vegetables for the Canadian government during the war, and cleared a handsome profit on his contracts. The new dryer was tested out Tuesday and gives evidence of being a big success so Mr. Walter Bundschu announces.

Mr. Banks who resides at San Jose is the inventor of the evaporator which is patented. One unit will handle ten tons of prunes or other fruit per day.

Additional units can be installed at any time. Banks received a certificate of Proficiency for the manufacture of products during the war from John W. Gordon, chief food inspector for the British War Office.

SUMMER FOLKS FLOCK HERE

4th. of July Week End Biggest Ever In The Sonoma Valley. Resorts Crowded To Capacity.

Sonoma valley was filled to over flowing with summer visitors and outing parties over the week end of July 4th. Every resort did a capacity business and turned away many they could not possibly accommodate. The restaurants worked over time, many keeping open all night, the grocery stores sold hand me out "eats," private homes were besieged with inquiries for rooms and many late comers had to content themselves with snoozing in their autos, in the stations or under the starry skies.

The swimming tanks and baths were fairly alive with bathers and broke all previous records on attendance.

The amusement places were thronged and although the thermometer soared, the jazz bands were in greater demand than ever. Jack Prince of Fetters fame syncopated more spectacularly than usual and Fetters was jammed continually.

At Boyes and Agua Caliente the crowds were also immense and between Wilson's jazz band, the "Lark" colored talent and Mine host Harrington's entertainment, everyone had a merry time.

Mrs. Richards of Agua Caliente reports a record crowd, one of the biggest in the history of the new hotel. Meinhardt's garden was the mecca of many recreationists also. El Verano and Glen Ellen, Vineburg and Schellville all had their quota of visitors.

Despite the big crowds no arrests were made for disorderly conduct and but two or three accidents were reported.

MOVIES, VAUDEVILLE AND DANCING FOR BENEFIT

Boyes Springs Theatre will be crowded Friday night, July 25th judging by the sale of tickets for the St. Francis church benefit and every one who attends will enjoy an evening long to be remembered. Besides the movie star, Norma Talmadge in the "Forbidden City" there will be all star vaudeville numbers, vocal solos to please real music lovers and dancing to the 100 per cent Wilson orchestra which is a feature at Boyes

FLORAL DEGREE NIGHT AT O. E. S.

Over 100 Visiting Officers and Members Participate In Event in History of Local Chapter.

One hundred and fifty Eastern Star members, fully 100 of whom were visiting Grand Officers, officers and members from out of town chapters witnessed the beautiful ceremonies of the Floral Degree put on by ten members of Vallejo chapter for "Valley of the Moon" Chapter in Sonoma's Masonic hall Thursday night.

Preceding the brilliant affair an elaborate dinner was given the degree team, the choir and other special guests of honor at the Union, Mr. and Mrs. Burmester being host and hostess.

Masonic Hall was effectively decorated for the ritual, a mammoth star outlined in electric lights and covered with ferns and flowers being the chief feature in the spacious auditorium where decorations of hydrangeas and Shasta daisies were effectively used.

The degree team exemplified the liant and impressive manner, the work of the Floral Degree in a brilten participants in white and silver costumes, wearing floral wreaths and carrying garlands of flowers.

Special music which the Vallejo choir provided accompanied the ritual.

During the evening baskets of flowers were presented to Past Matron, and charter member, Dora Stofen as a welcome home and to Mrs. Dickinson, formerly of Napa's Silver Spray Chapter but now of Eldridge, a welcome addition to local lodge circles.

On behalf of the degree team O. Settenquest of Vallejo presented Matron Burmester and her worthy husband with a large cut glass bowl, a fraternal tribute and also remembrance of their 18th wedding anniversary.

There were visitors from Mill Valley, San Francisco, Santa Rosa, Guerneville, Petaluma, Napa, Vallejo and other places. Beautiful gowns and full dress suits added to the brilliancy of the event. Miss Ella Lee of Santa Rosa provided music for the local chapter work in the absence of Mrs. Herman Schieck.

Sherbet and cake were served following the ceremonies.

Among some of the notable visitors present were the following:

Associate Grand Patron, Henry Chas. Haake and wife of Mill velley; District Deputy G., Matron of 17th district Dr. Josephine Winslow of S. F.; Past Grand Matron, Minnie Seymoure of S. F.; Past Grand Matron, Alrick Hammer of Vallejo; Past Grand Matron Minnie Seymoure of Sacramento; Past Grand Elcete, Dora Stofen; Dr. Dora Hammer, president of S. F. Matrons Assn; Mrs. J. Munk, Napa; Alma Ribbets, Petaluma; Adelaide Lightbody, Vallejo Chapter, Vallejo; Olive Elliott, Gold Ridge Chapter, Sebastopol; Mrs. Hatcher, Rose Valley Chapter, Santa Rosa. Patrons of 1919: Henry Ribbets, Petaluma; Oscar Settenquest, Vallejo; W. Gorden, Napa.

VAUDEVILLE AT FETTERS THEATRE

A very attractive vaudeville feature is announced by the management at Fetters theatre. Blanche Hertz and her singing and dancing kiddies will give a performance every Saturday and Sunday nights beginning at 9 o'clock.

Dancing as usual will be the popular pastime at the big resort.

Mrs. Erhard Steiger has been enjoying a visit from her sister who came up from Oakland this week.

Miss Edna Jensen U. C. has been selected by the High School trustees as teacher of domestic science, art, free hand drawing and vocational drawing.

AUTO STAGE TO START MONDAY

New Service By Motor To San Rafael To Be Inagurated On Regular Schedule.

The San Rafael and Sonoma Valley Auto Stage Line will begin operating on a regular daily schedule Monday the 14th. The San Rafael headquarters will be at the Richmond San Rafael Ferry office opposite the Northwestern depot and the terminal in Sonoma Valley will be the Agua Caliente depot.

Two machines will be put on to start with and two more have been ordered and will later be in use. Already many inquiries have been coming in from the public and the service will undoubtedly be very popular with travelers as it will make connection with electric trains to and from San Francisco, thus putting Sonoma valley in closer touch with the metropolis.

The fare to San Rafael is to be 75 cents plus the war tax
Below Sonoma the rate will be less.

The time table of the new line show autos leaving here at 8:40 a. m. daily arriving at San Rafael at San Rafael at 10:20 a. m. also at 2:40 p. m. arriving in San Rafael at 4:20 p. m.

Busses will leave San Rafael at 11 a. m. and 4:30 p. m. On Sundays trips will be made from Sonoma at 6:50 a. m. and 7:40 p. m. and from San Rafael at 8:30 a. m. and 9:22 p m.

To connect with San Rafael and Sonoma Valley Auto Stage Line at San Rafael, take N. W. P. Boat and Electric Train from Sausalito, leaving San Francisco,

Week Days:	9:45 a. m.	3:15 p. m.
Sundays:	7:15 a. m.	8:15 p. m.

AUTOS INJURE CHILDREN

Two Holiday Accidents Up The Valley In Which Little Ones Are Hurt.

The Fourth of July holidays were wonderfully free from accidents but Serifino M. Marty a boy stopping at a Glen Ellen resort fell off of a running board of an automobile and fractured his leg. He was brought into Sonoma and attended by Dr. A. M. Thomson.

The same day May Pritzky a little girl of Sonoma Vista was run over by an auto and sustained a crushed left arm. The driver of the car brought the little child to town and she also was treated by Dr. Thomson.

Both patients are reported as doing fine.

The O. E. S. childrens night will will be next Wednesday at Masonic Dr. Butler of the State Home is providing some excellent talent for the evening. All children of Masons and O. E. S. welcome.

Theo. Keiser, Henry Weber Jr. and a few other local patriots had an impromptu fireworks display in the plaza on the night of the 4th.

Y. W. C. A. SPEAKER GIVES TALK AT DUHRING HOME

Mrs. E. Burroughs representing the Y. W. C. A. addressed a number of ladies at the home of Mrs. F. T. Duhring on Thursday. She outlined the patriotic and philanthropic work being done by the Young Women Christian Association everywhere and spoke of the plan along the lines of Americanization which the organization is to further. In the Fall an active drive will be undertaken here to assist in raising Sonoma county's $600 quota toward the work.

Mrs. Duhring served tea to her guests following the talk given by the visitor.

AUTOISTS INJURED PETWEEN HERE AND PETALUMA

Mr. and Mrs. Dirk of Richmond were seriously injured when the auto in which they were riding turned on a dangerous curve of Stage Gulch Wednesday afternoon. Their two children, who were also in the machine, were not hurt.

The injured were taken to the Petaluma General Hospital, where it was learned that Mrs. Dirk had suffered a fractured collar bone, and that her husband had a badly sprained back. The accident resulted from an attempt to make the turn at too great a speed.

They were enroute to Boyes Springs for an outing.

Mr. and Mrs. F. Mazuie (nee Froment) were up at the Froment home over the 4th.

Frank Koenig is reported ill at the home of his daughter, Mrs. Joseph Berry, in Santa Rosa.

VETERAN FIREMAN DROPS DEAD

Wm. Schackelton Succumbs To Heart Failure Monday at Country Home.

Wm. Schackelton who was a retired fireman of San Francisco and came here some years ago to reside on his country place on lower Broadway died suddenly on Monday. Mr. Schackelton had been working in his garden and as the day was very warm came up to rest on his porch. He had no sooner reached the shelter when he was seized with an acute heart attack and died almost immediately. His wife rendered first aid and sent immediately for a physician but life was pronounced extinct. Mr. Schackelton was a native of San Francisco and for many years prior to coming here was a valued member of the S. F. Fire Department where his acts of heroism and kindness made him a general favorite. To his already wide circle of friends he added many more since coming to reside in Sonoma valley.

The funeral was held in San Francisco and was under the auspices of the Veteran Fireman. The remains were laid beside his daughter, the late Florence Schackelton.

A widow, Emma Schackelton, and two brothers and a sister are left to mourn the passing of deceased.

Coroner Frank Phillips held an inquest Tuesday, deputy H. F. Bates being forced to motor to Petaluma after the official on account of no telephone service.

Prompt Building of Highway Should be Urged

NOW THAT FUNDS have been provided whereby the Schellville to Santa Rosa state highway can be built, it is apparent that we must be up and doing in order to get consideration and the appropriation necessary out of the $40,000,000 bond money just voted for the immediate building of this important artery. Sonoma county's progressive citizenship which voted $1,600,000 just prior to the state election is entitled to recognition and the encouragement which the state work is bound to give. We need these good roads very badly for what we have now are stumbling blocks to progress and with prosperity waiting to come in and a citizenship keen to lend aid and hearty co-operation toward the upbuilding of California's fame and volume of production we are entitled to consideration from the State Highway Commission and our Governor. The Commission now has the opportunity to smooth over the difficulties which arose in the matter of completing the roads in Marin and Sonoma counties and perhaps now we will come to see that "the last shall be first" or at least let us hope so for we were patient until it ceased to be virtue. State highway work in this locality was badly cluttered up with red tape, war problems and labor difficulties but that is of the past and we only ask the Commissioners to consider how badly things went here and to demonstrate now how efficiently and expeditiously new work may be put through. Senator Slater can be of great assisstance as can the Santa Rosa Chamber of Commerce and some of our local boosters whose initiative and enterprise were responsible for the Black Point Cut-offff. These gentlemen should get together at once and furtner the movement to start work on the Schellville to Santa Rosa State highway. It is largely up to Sonoma valley when you stop to consider that Santa Rosa has her highway via Petaluma whereas Sonoma valley is entirely dependent upon the artery provided for at the recent state election.

We have faith in the new member of the State Highway Commission, an editor by the way who will be quick to recognize the justice of our plea for quick action and the urgent necessity for the modern thoroughfare thru the historic and fertile "Valley of the Moon" to the "City of Roses," county seat of "Imperial Sonoma." The Schellville road is the only thing Sonoma County gets out of the $40,000,000 bond issue.

Sonoma Valley to be Benefited by Publicity

UNDER THE CAPTION "California Mineral Springs Will Be Exploited" the San Francisco press makes the following important and interesting announcement:

"The salubrious advantages of California's mineral springs are to be set before the physicians of the nation by the San Francisco Convention and Tourist League. Based on the original researches of F. C. S. Saunders, M. D., of Cambridge University, England, the league to-day started the preparation of a booklet describing the forty-one mineral springs of the State which, when completed, will be mailed to 150,000 physicians in the United States. Ninety-five per cent of the springs are located in Northern and Central California.

The exploitation of California's priceless jewel of health-giving waters through the medium of the physicians of the nation is expected to do much to increase the number of visitors to this section. Analysis indicates that California's springs are more than equal to those of the famous resorts of Europe in health-giving qualities, according to Robert L. Webb, secretary of the league. A realization of this by the medical men of the country will make it no longer necessary for Americans to cross the Atlantic to quaff the waters at Carlsbad, Bad Naudheim and Elisbaden, he says."

Sonoma valley will be to the fore in this mention for here are situated some of the most wonderful curative springs in the world.

In the past Europe has led in making known her famous springs but now we are to advertise our natural wonders and when coupled with climatic advantage and proximity, California should become the mecca of the thousands of Americans who formerly journeyed to Europe in quest of health.

Advertise Advertising is Common Sense

THE NEWSPAPERS of the country are at last beginning to advertise advertising and the S. F. Chronicle is at present featuring some fine displays setting forth why newspaper readers should follow carefully the advertising columns and why advertisers should prepare interesting and helpful facts for the readers of newspapers who are their prospective customers.

Advertisers are proving more interesting copy writers day after day and the public is largely dependent upon the newspaper for tips on where to trade.

The columns of the Inder-Tribune both classified and display are each week full of helpful information to the careful buyer. The man who takes the trouble to advertise his goods really wants your business and will treat you right. The man who is too independent to advertise is as a rule hard to do business with.

Apropos to the subject of advertising is the following verse which hits the nail on the head. It is taken from Anna Morrison Reed's clever paper, the "Ukiah Times."

"The constant drop of water wears away the hardest stone,
The constant knaw of Towser masticates the toughest bone,
The constant wooing lover carries off the blushing maid,
And the constant advertiser is the man who gets the trade.
Don't ever think that printer's ink is money to the bad,
To help you jail a roll of kale there's nothing beats an ad.
You can't fool people always, they've been a long time born,
And most folks know that man is slow who tooteth not his horn."

MRS. JACK LONDON HAD INTERESTING TRIP SOUTH

Mrs. Jack London who recently returned from an outing in Southern California has resumed her work at the ranch and is again deeply engrossed in writing the autobiography of Jack London. She took a much needed rest some weeks ago, going to San Diego by steamer to visit her cousin, Lt. Willey, and his bride at Rockwell Field. She found the aviation camp very interesting and her cousin, who is a flying instructor for Uncle Sam, gave some wonderful exhibitions in a German Fokker plane for her benefit. He did the tail spin and other spectacular stunts which were truly wonderful. Mrs. London was delightfully entertained by the army set and spent some time at her favorite pastime, boating on San Diego bay. She visited Pt. Loma and went over the background of "The Year Pefore the Mast" and other places of attractive association.

Enroute home the Glen Ellen traveler stopped at Pasadena where she was entertained and she also went to Mt. Lowe where she viewed the heavens through the gigantic telescope and was shown every courtesy and attention by Prof. Larkins, the astronomer, who is an old friend and fellow litterateur.

SONOMA HIGHWAY ENGINEER HERE

Lloyd Aldrich, the engineer who is to have charge of the construction of the Sonoma highways, spent the holidays with his family in Santa Rosa. Mr. George and Mr. Heft members of the field and office force of the engineering party, were also visitors of their families, which have made Santa Rosa their home until the completion of the highway work.

As the work on the Sonoma roads will not commence until July 23, Mr. Aldrich and the other members of his party left Sunday for Chowchilla where they will be engaged in highway construction for the United States Farm Lands Bureau, until it is time to begin the work in this county.

Mr. Aldrich states that four surveying parties will be put in the field just as soon as the work begins here and that the construction will continue for two years, which is the time estimated for the completion of the highway. Altogether there will be 160 miles of roads built, 80 miles of which will be concrete and 80 graded.

KEPT LOG OF WAR CRUISE

Log Kept By W. D. Foley, U. S. N. During War Days Has Interesting Episodes.

Sunday, March 31st, 1918. On board U. S. S. Leviathan at Liverpool England. Weather fine, sky clear and bright. Sunshine all day. Even the elements seem to know this is Easter Sunday as they seemed to surpass their former efforts in honoring the day with the best they had to give. The streets were thronged but there was something lacking which robbed the day of its splendor. It was that gayety we are accustomed to see on this particular day, new suits and bonnets and the one we love dearest and best by our side. That was what semed lacking and the sad faces of the women plainly bespoke it.

April 6th. At Liverpool, England. Received 48 German prisoners of war for transportation to the U. S. A. They are the survivors captured by our destroyers off the Coast of Ireland. This being the first anniversary of the war, the day was observed in a fitting manner by all Americans.

April 10th, 1918. At Liverpool, England. Weather mild but foggy Got underway at 11 a. m. under convoy of 6 U. S. destroyers and after clearing the river commenced steering a zig-zagg course. No subs were sighted and no indications of having been attacked.

Thursday, April 11th, 1918. At sea off the Irish coast under convoy of 6 U. S. destroyers. No submarines sighted. Destroyers departed for base

April 17th. Arrived at Hoboken N. J.

April 18th, at Hoboken.. All extended leave call canceled on account of our getting rush orders to get ready for sea with all possible haste.

April 22nd, 1918, at Hoboken N. J. Work nearing completion. All men inoculated against contagious diseases.

Lady nurses to number of 240 reported aboard and were assigned to their quarters. At 1 0a. m. troops commenced embarking and continued throughout the night.

April 23rd, 1918, at Hoboken N. J. All work completed. Troops all aboard making a total of 13,000 men mostly from camp Upton, Long Island.

April 24th, 1918, at Hoboken N. J. at 5:30 a. m. After clearing docks steamed down North River amid cheering of the throng along the dock. After putting off the pilot off Sandy Hook set speed at 22 knots per hr, off once more to defy the German sub marines.

April 25th, 1918 at sea making passage to Europe with troops for the American Army in France. Passed an American convoy of 9 steamers bound for Europe. Amateur show and pictures were given this evening. All well and cheerful.

April 26th, 1918 at sea making pas sage to Europe with troops and nurses for the American Army in France All hands entertained in the evening at the usual picture show after which many of the nurses enjoyed dancing until 10 p. m.

U. S. MINT EMPLOYEE HERE

Andrew Cuneo who owns a country home near Boyes Springs came up with his wife and little son from S. F. to enjoy a month's vacation but was called back to his position at the U. S. Mint Monday, the government having canceled his vacation owing to the urgent need for making pennies. Uncle Sam has three 8 hr. shifts turning out 600,000 Lincoln pennies. Cuneo has been a trusted employee of the government for 26 years and was an old friend of ye editor in days before the fire. He originally came from Amador Co.

WILL GO INTO DAIRYING ON HOME PLACE OF 300 ACRES

Rev. Chas. C. Champlin, who has been studying scientific dairying at the Wildwood Dairy at Kenwood since March 1st, has decided to retire permanently from the ministry and in the Fall will take over the Champlin ranch of 300 acres. He has been a director of the Wildwood Dairy Company for some time past but expects to with-draw from the corporation and go into the dairying business for himself.

He will take over the Champlin ranch just as soon as the lease with the present tenant C. Sganzini, expires. Mr. Sganzini has conducted the ranch as a dairy for some years past and has been one of the most successful producers in Sonoma valley.

Mr. Champlin will take up his residence on the old homestead with his family, and his mother and father will also locate there. His father came there as a boy and Rev. Chas. C. Champlin spent his boyhood there also in the days before he went to the university and was later ordained He is bringing his young sons of the third generation to take up life in the historic Sonoma valley. Their mother was the former attractive High school teacher, Maude Fraser.

M. J. Power of the firm of Belcastro Co. tailors of Santa Clara, Stanford University and San Francisco was in town on the 4th and favored this office with a friendly call.

SOMETHING BREWING

Grace Bros. will resume the brewing of 2 3-4 per cent beer in conformity with the agreement reached Wednesday in San Francisco when representatives of the various brewing interests in California met for conference.

"The brewers are confiident," said a local man when discussing the situation last night, "that their position is correct and that beer containing no more than 2 3-4 per cent alcoholic contents is non-intoxicating. They have made numerous tests and demonstrated this fact to their own satisfaction at least, but of course nobody can tell how a situation like the present one will ultimately work out.

MOTORED TO LAKE TAHOE

Mr. and Mrs. Pete Norrbom and Mr. and Mrs. H. J. Norrbom motored to Lake Tahoe last week where they enjoyed a fine outing. At the lake they saw a car with a Sonoma pennant and upon investigation found it belonged to Fred Batto. The Norrbom party could not locate the Battos but wrote their autographs on the dusty windshield which was a nice little surprise for the Vineburg tourists. Enroute home Mrs. P. Norrbom stopped at Nevada City to visit with her folks. All returned home Saturday delighted with the scenery and of interest including the famous 17 mile drive at Monterey.

Wm. Sobbe, the pioneer resident of Glen Ellen, and father of J. Milton Sobbe hero of the late war, suffered a fall from his chair at his home recently and as a result of the mishap the old gentleman has been ailing.

PETALUMA MOURNS FOR NOBLE YOUTH DROWNED IN RIVER

Petaluma is shrouded under a heavy cloud of sorrow and grief owing to the sudden and tragic death of Charles Wilson, Jr., a young native son of Petaluma.

The leader of the class of '19 of the high school and its valedictorian, president of the student body and the leading orator and debater, he had planned to enter the University of California this fall and there would have made his home city proud of him.

He passed away at 7:15 Saturday night at Monte Rio two hours after he was precipitated into a deep hole in the Russian river near the bridge and just outside the ropes.

The young man could swim but little and was trying to learn before the other boy scouts reached camp and went in wading near the bridge, clad in his bathing suit.

Suddenly the sand shifted beneath his weight and he went out of sight into a deep hole.

Miss Connolly, aged sixteen of San Francisco, was near by with her brother and caught hold of his hair as he went down but it slipped through the fingers of the frail girl and she then bravely dove after him. Thirteen times the brave girl dove and the thirteenth time she brought up the body of the youth, who was much hea vier than she was. She was exhausted when she placed the unconscious form in the hands of the help that had arrived.

The eight fellow scouts with their splendid knowledge for use on just such an occasion, went to work with a will on their chief and were reinforced by a navy surgeon, several nurses and others and at one time the breath was restored but soon flickered out and at 7:15 he passed away.

A most impressive funeral service for young Wilson conducted by the Boy Scouts was held Wednesday and in his uniform with the American flag draped over the casket an idolizied son was borne to eternal rest.

NO ALIMONY AS YET FOR WIFE OF "MONGOLIAN"

Superior Judge Emmet Seawell on Wednesday handed down an opinion in the action of Mrs. Ethel Tensa against her husband, Joseph Tensa of El Verano. The court denies the motion for costs and alimony pendente lite and also denies the motion to strike out the cross complaint and answer to the complaint.

Judge Seawell in passing upon the preliminary feature of this divorce growing out of the "high seas marriage," with the bridegroom an alleged Mongolian, states that under the authorities and after a review of the law he will not grant the motion. The question as to whether the defendant is a Mongolian is also not a matter to be passed upon in these proceedings. The court says that counsel for the defendant called attention to the defendant in the court room as "to his racial appearance and characteristics." His honor says that phase of the matter need not be passed upon at this stage of the game

A Los Angeles buyer is said to be negotiating for the purchase of the property recently bought by F. W. Dobbel from the Bosse estate.

Ben Streeter, the welll known stock man was over from the Petaluma side Saturday and as usual left some money with the Sonoma trades people. Mr. Streeter's wife and baby had a fortunate escape recently when a horse took fright and almost caused a bad accident.

Mr. and Mrs George Lowell have returned from a delightful motor trip to Monterey and Santa Cruz. They visited the Big Trees and other points of interest.

Pearl Oil in bulk costs less

Pearl Oil that you buy in bulk at your dealer's is the same high-quality kerosene as the Pearl Oil sold in five-gallon cans. There is a saving by buying in bulk. Order by name—Pearl Oil.

For year 'round kitchen comfort use a good oil cookstove and Pearl Oil. Bakes, broils, roasts, toasts—economically. Lights at the touch of a match. No waiting for fires to come up, no unnecessary work, no waste. Concentrates a steady heat on the cooking—leaving the kitchen cool and comfortable.

TEST EGG PRODUCTION AT UNIVERSITY OF CALIFORNIA FARM

During the six weeks' poultry short course beginning September 29th at the University of California Farm, Davis, various methods for testing for egg production will be shown, it is announced by Dean Thomas Forsyth Hunt of the College of Agriculture.

One of these tests, known as the color test, and based on the theory that the bright yellow color in the shanks of yellow legged fowls fades out in proportion to the number of eggs the hen lays, is said to be of great value in culling out the slacker hens in July and August.

Careful investigations conducted by the Poultry Division of the University of California College of Agriculture are declared to show that in all yellow legged fowls, such as Leghorns, Plymouth Rocks, Wyandottes and Reds, the yellow color in the shanks, beak ear lobes and skin slowly fades out as the number of eggs increases during each laying season. While this method is not as accurate or as expensive as trapnesting, flocks of layers can be culled quite accurately by the use of this color test in connection with other physical indications, according to poultry experts.

CALIFORNIA APPLE CROP

From the Bureau of Crop Estimates comes the apple report for California Watsonville district, which shipped nearly 2,500,000 boxes in 1918, has prospects for a ten per cent heavier crop this year. Newtons, the principle variety, are about the same as last year, while Bellflowers are considerably heavier. The Sebastopol section is now estimated at about 750 cars, of which approximately 500 cars will be Gravensteins. It is too early to fore cast dried apple production, although the Watsonville district is now forecasted at about 5,000 tons of dried apples, and Sebastopol at from 3,000 to 4,000 tons, which is almost equal to the very heavy production of 1918.

QUADRUPLE PRUNE YIELD BY UNIVERSITY OF CALIFORNIA PRUNING SYSTEM

Short courses in horticulture to be given at the University of California Farm, Davis, from December 8th to 20th, will fully explain the new system of pruning advocated by the University whereby the average yield of the trees pruned is said to be about four times as great as that of trees of the same age pruned in the old way.

Dr. and Mrs. Hursch of San Francisco were guests at "Westfield," the home of Mr. and Mrs. R. E. Murphy, over the week end...

Betty Said She Could Bake

"I knew she never had baked a cake and I was doubtful. But I told her to go ahead.

"She got my treasured Royal Cook Book, my can of Royal Baking Powder and all the fixings—and sailed in.

"Honestly, it was the best cake we ever had, and now I believe anyone who tries can bake anything with

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA, IN AND FOR THE COUNTY OF SONOMA

HUGH BREEN, Plaintiff,
VS.
Catherine Woodworth, Anna Connolly, Mary Le Berge, Ellen Starrett, Hugh Brin, John Doe, Richard Roe, and also all other persons unknown claiming any right, title, estate, lien or interest in the real property described in the complaint herein adverse to plaintiff's ownership, or any cloud upon plaintiff's title thereto,
Defendants.

Action brought in the Superior Court of the State of California, in and for the County of Sonoma, and the Complaint filed in the office of the County Clerk in and for the County of Sonoma. G. W. Hoyle and J. W. Ford, Attorneys for Plaintiff, Santa Rosa, California.

THE PEOPLE OF THE STATE OF CALIFORNIA SEND GREETING TO: Catherine Woodworth, Anna Connolly, Mary LeBerge, Ellen Starrett, Hugh Brin, John Doe, Richard Roe, and also all other persons unknown, claiming any right, title, estate, lien or interest in the real property described in the complaint herein adverse to plaintiff's ownership, or any cloud upon plaintiff's title thereto, Defendants.

YOU ARE HEREBY DIRECTED TO APPEAR AND ANSWER the complaint in an action entitled as above, brought against you in the Superior Court of the State of California, in and for the County of Sonoma within ten days after service on you of this summons, if served within this County, or within thirty days if served elsewhere; The said action is brought to determine all adverse claims of known and unknown persons to the real property hereinafter described, and to quiet plaintiff's title thereto; the said real property being in the County of Sonoma, State of California, and more particularly described as follows, to-wit: All that certain lot, piece or parcel of land situate, lying and being in the County of Sonoma, State of California, and described as follows, to-wit: The northeast one quarter of the northwest one quarter of Section Seven, in Township Seven North, Range Ten West, Mount Diablo Meridian.

YOU ARE HEREBY NOTIFIED, that, unless you appear and answer as above required, the plaintiff will take judgment for any money or damages demanded in the complaint as arising upon a contract, or he will apply to the Court for any other relief demanded in the complaint.

Given under my hand and the seal of the said Superior Court, this 7th, day of February, 1919.

(SEAL) W. W. Felt, Jr. County Clerk. By M. D. Horwege, Deputy Clerk.

G. W. Hoyle and J. W. Ford, Attorneys for plaintiff, Santa Rosa, California.
